We are excited about this 3-day, 2-night camp adventure!

You will be in a group of 5 teens with 1 counselor during camp. Boys with boys and girls with girls. Each group will stay in their own cabins. Modern bathroom facilities are nearby. There is a common hall – Tepicon Hall – where we will have our services and meals. Enclosed is also a map of the area we will be holding camp.

The three days will be packed with important “God-moments” on a small group and large assembly atmosphere. Live worship, speakers, & drama! Our intention is that you will take one step in your relationship with God.

Of course we will have all the activities of a summer camp: games, bonfires, inflatables, swimming, hiking & so much more!

We hope this camp we be a highlight of your summer! If you have any questions, please contact me!
